Information & Criteria

The Kent Music Financial Assistance Scheme is available for children and young people aged 5 – 18 years, living in Kent (not Medway).

Applications for students living in Medway and attending the Kent Music, Medway Music Centre (if meeting the financial assistance criteria) may still apply for financial assistance but if approved the award will be made from the Kent Music discretionary fund.

Subject to the conditions and criteria set out below, successful applicants will receive 75% financial assistance up to a **maximum of £100.00 per term** (*3 terms per academic year*) towards the cost of one course of instrumental or vocal tuition for the academic year.

Students awarded financial assistance for their lessons are also entitled to 75% financial assistance towards the payment of ensembles. All ensembles must take place at a Kent Music Centre.

Please note that all Kent Music teachers are employed by Kent Music, they are interviewed and references followed. They also receive regular continued professional development training, safeguarding training and are subject to clearance from the Disclosure and Barring Service.

For lessons held out of school by other music providers these must be in recognised business premises and it is the parent/carer responsibility to check with the provider that the required insurance, health and safety checks and safeguarding measures are in place.

Financial assistance is available to assist with the payment of one instrumental lesson and the Kent Music ensemble(s) fee only.

A musical instrument will be supplied from Kent Music's stock of instruments free of charge, if required, provided Kent Music has an appropriate instrument in stock. Kent Music does not have the funds to purchase instruments for applicants to this scheme but is able to recommend instrument suppliers and loan schemes. A free of charge instrument cannot be guaranteed.

The financial assistance will be applied directly to the Kent Music invoice.

The financial assistance is awarded for one academic year only (or part of) and is not usually backdated. Applications will be invited for existing beneficiaries and new applicants during the summer term prior to the start of the new academic year.
