

Ramsgate

Arts Primary School

School Newsletter

Thursday 20th July

Dear Parents and Carers,

As the year draws to a close, I would like to take this opportunity to thank the staff, parents, governors and most importantly, children for another fabulous year. The school has many, many strengths and has much to celebrate this year – however the one thing that makes Ramsgate Arts Primary School the school that it is, cannot be measured by academic success or trophies and awards but by the people in the building (or Portakabins) – the pupils and staff – that make RAPS the special place that it is.

We have enjoyed excellent academic success this year, our Arts team is definitely going from strength to strength – Jack and the Beanstalk was absolutely fantastic! Our children have been out of school on various trips and visits. The one thing that has remained consistent through all of these events is the fantastic way that they have conducted themselves and the fantastic way that they represent RAPS!

As we move to our new build in September, I am really excited about how your children will grow even further with the amazing teaching spaces and provision it will offer. Everything is on track for us to be in our classes in September, I visited last Thursday and they had laid the playground and car park at the back and the field was ready for seeding. The first floor was almost nearly complete with just a couple that needed to have the carpets laid. Over the next month the ground floor will be completed and then the ICT team start work along with the grounds team who will landscape the front. We will hopefully be given possession mid August. I would like to invite all parents and children to come and have a look around on Tuesday 5th September between 11.00-12.00 before the children start school on Wednesday 6th September.

I thank you all for your support this year and look forward to developing even stronger home / school relations in the future.

I wish you all a wonderful summer holiday with your children. Let the sun shine and allow us to enjoy six weeks of fun, friendship and laughter!

With my very best wishes ,

N Budge
